ADM YOUTH SOFTBALL ASSOCIATION

SPONSORSHIP REQUEST '25/'26

The ADM Youth Softball Association is a competitive program committed to bringing ADM athletes and our community together and providing an experience that fosters individual growth through personal achievement and team play. Our mission is to create and maintain an environment of accountability, sportsmanship, pride and hard work. Every athlete is given the opportunity to succeed.

We as the ADM Youth Softball Association would greatly appreciate your company's willingness to help support our mission. In doing so, your donation will help our organization to provide equipment needs, tournament fees, team banners, as well as other association needs. By sponsoring our association, your company's logo will be printed on all 8 of our team banners. From the time these banners are complete, they will be proudly displayed at each game our teams compete at.
