2. Taylor Layton called the meeting to order.
3. Action:
  - a. Bump March Meeting to the 11<sup>th</sup>. We will have staffing numbers then.

### **4. MOY Data**

- a. **Acadience Reading** – Mid-Year decreased below proficiency, improved some of our reading scores. All key areas are improving. Looked at POP – hoping to get our POP to 70 even though we are only at 53% now.
- b. **Acadience Math** – Decrease in percentage of students at benchmark. Close to our goal in POP, still need some improvements by end of year. Troubleshooting some acadience math with January focus on adapting MOY data.  
Focus on growth of students who are higher on benchmark (I-Ready Data)
  - i. No math interventionist. Teachers are tasked with doing the intervention.
- c. **RISE scores** – Drops in 2023, but we are going to get back to 2022 levels!
  - i. Kick off for testing with Olympic focus.

### **5. Safe Walking Route**

- a. It has been approved. It is on the district website.
- b. One possible change. New homeless shelter moving in. They may be included in Wilson's boundaries. Not sure when they will move in.
