Your Assignment

Must Read: [Edutopia Article:
Your 25 Best Tips](#)

After reviewing the article or video about classroom management you will need to list 3 strategies, on three separate stickies, that you feel you can improve on on the [padlet](#) provided. Answer the

MUST WATCH: TeachTech Video on classroom management

following questions with each strategy that you select.

1. Why did you select this strategy?
2. What part of your day to day classroom management does this strategy affect, and why? (I.E. Entering the class, answering questions, transition time etc.)
3. How will this strategy support all learners in your classroom?
4. How can I incorporate this strategy to ensure that it affects my classroom management?

Classroom Management Strategies Planning Time

1. You will be paired up with another teacher of a different grade level and/or subject area.
 - a. Mr. Wilson(3rd), Mr. Arreola(4th)
 - b. Ms. Garcia(6th), Ms. Murphy (7th)
 - c. Mr. Centofanti(2nd), Mr. Campana(Lunch)
 - d. Ms. Bravo(7th), Ms. Davila(open)
2. Paired up, schedule a time on Tuesday/Wednesday where your partner will observe you during their prep period. To be clear, there needs to be 2 observations done, one for each person.
3. Each person select an area of focus and the time when it occurs. To be clear, observed will select one area the observer watches, and observer selects an area they will also watch
 - a. Transition times
 - b. Direct Instruction
 - c. Redirects
 - d. Entry/Exit classroom
 - e. Answering/Calling upon students
 - f. Active engagement of class
 - g. Small group activities
4. Go over expectations and how they are supposed to look in your class. (I.E. In a perfect world how would you like your class to go).
5. Go over expectations and how they are currently going in your class.
6. Look at bottom of page for Observation worksheet
