2024 Election Timeline

Context: Three board seats are up for election, ~~Walter's;~~ Alex's; ~~Samson's~~ Lionel's (resigning), and one vacant seat. We need to run an election to choose who will fulfill those roles. This document has a proposed timeline.

Communicate that the election is happening, how to register for a ballot (see below), and that we are receiving candidacy applications now, as well as the date for the election.

Communication on:

- Matrix
- All the lists.sugarlabs.org mailing lists
- The new Newsletter (Buttondown)?

Question: Do we request voters to apply for a ballot (e.g. via a form)? This may be wise…
