

Date: Nov. 24, 2025

Time: ____7:00____

End Time: 8:25 pm

MRHS Library

Attendance:

Hudson Burns	Krista Steele	
Adam Burns	Lisa Salley	
Heather Crouse	Chad LeBlanc	
Isla Chiasson		
Shyanne Jenkins		

1. Greetings and regrets
 Regrets - Bonny Hubley

2. Old Business - School is moving towards purchasing a net for behind the North soccer net to prevent balls from leaving the field and entering neighbouring yards.
 SAC conference is this week. Adam and Chad will be attending

3. Principal Update - Money has not arrived yet this year. Expected to be the same as last year - \$5000 + 1\$ per student. Should be \$5583.
 Current sports at MRHS - Volleyball is wrapping up, unfortunately, no one has qualified for provincial play. Hockey is in full swing and our basketball teams are just getting going.
 Turkey dinner (Dec. 17) and School enhancement committees have launched at MRHS.
 Winter dance will be Dec. 18
 Report cards were sent out electronically - parent-teacher conferences will be Dec. 3 and 4
 Not everyone is signing up for the NS Lunch program. It appears as though students who have not ordered are getting in line and getting food. Because ordering is confidential, there is no way to make sure that families who have paid are getting their meals or not. We need to encourage families to sign up for the program.

Assessment week in January has been shortened to two days instead of 4-5. Students and staff are concerned about having too much to do during those two days.

As part of the Mass Casualty Commission all schools across the province will be introducing Gender Based Violence Prevention curriculum. It will start this year in ELA/FLA grade 10-12 with a variety of modules.

4. New Business

-Request for three chess boards for an ELA 9/10 class - cost \$83.38 (approved)

-Request for streaming equipment so that a new Media Club can get started at MRHS. Items include green screen, and a camcorder. Asking for \$450.00 SAC is concerned that they will need a better camcorder than requested. They would like the Media Club to explore other cameras. (approved)

-Grade 7 teacher requested \$753.59 to set up aquaponics in their room to allow for students to grow food as well as be responsible for raising fish (approved)

5. Round Table

It was asked if the SAC could tour the school during the next meeting to see renovations and projects that they have supported. Overwhelming yes.

-SAC would like to have staff take a Human trafficking presentation with the RCMP.

6. Other

7. Next Meeting: ____ Jan. 12 @ 7:00 _____
