When organizing for youth justice it's imperative to let youth voices lead the way. Michaela Pommells understands what it means to put Youth First and I am so excited she has been chosen to be Executive Director of the Youth First Justice Collaborative!

[Add Michaela Graphic (rectangular)]

Michaela Pommells has a proven track record of successfully organizing and building power in frontline communities, her work supporting the youth leaders in Philadelphia's @CareNotControl campaign makes her an ideal Executive Director of the Youth First Justice Collaborative!

[Add Michaela Graphic (rectangular)]

Michaela Pommells is an abolitionist organizer with a decade of experience building grassroots power in deep partnership with justice-involved communities. I can't think of a better choice to lead the critical work of the Youth First Justice Collaborative!
