April Newsletter

It's hard to believe it is already April and spring has arrived.

At this time of year the change in weather and more daylight, reminds us that the days in school are winding down so it's important for students to avoid taking any day for granted.

This time of year requires self-evaluation and working on making needed improvements.

Fortunately, there is still time for this to occur. But the important thing is these changes begin to occur now. Whether your child's performance has been strong or is still a work in progress, a word in their ear can go a long way to help your young men and women achieve their best.

Blue Cards/Emergency Contact Card

What is a Blue Card/Emergency Contact Card?

It is a source of information that the school uses in the event that there is an emergency, or a student feels ill, to contact the parents or guardians.

Students are welcomed to go to the main office and ask for a Blue Card, take it home for the parents to complete and return to the main office, room 123.

This information can also be specified on your NYCSA account under Emergency Contact.

New York City Schools Account (NYCSA)

The NYC Schools Account allows you to view your child's grades, report cards, attendance history, test scores, transportation information, IEP information, submit COVID consent forms, track your child's progress to graduation, and more to come!

Don't have a New York City Schools Account (NYCSA)? You can sign up for an account TODAY!

If you have any questions, or concerns, please feel free to contact our Parent Coordinator, Georgia Katsalis at (718)888-7500 extension 6101, or our Community Associate, Sandy Santory at (718)888-7500 extension 1353.

We can assist in signing up for the NYCSA, or assist with any questions that you may have.

Join Peer Group Connection (PGC)

What is PGC? Peer Group Connection (PGC) trains older students to help 9th graders make the transition to high school. Students who are interested in joining PGC will need to apply and go through a selection process. Selected individuals will become Peer Leaders and will attain qualities such as being thoughtful, energetic, committed and responsible. The deadline to apply is April 25. For more information, students may go to room 264 and ask for Luz Cepeda, or Kimberly Figueroa.
