## **300,000 NEW COUNTY RESIDENTS BY 2044!**

### **Get Ready to Give Your Input to Land Use Planning in January**

Become informed now to give input **in January** for the next 20 years of countywide growth by responding to the Land Use (Phase II) of the 2024 Snohomish County Comprehensive Plan Update under Washington State's Growth Management Act (GMA.) We can expect about 300,00 new residents in the county by 2044. Whether you are concerned about high density residential developments in Unincorporated South Snohomish County, increasing traffic, schools and services, or loss of wildlife habitat and wetlands, your input is needed. **Comment via email regarding Phase II - Land Use, at: [2024 Comprehensive Plan Update | Snohomish County, WA - Official Website \(snohomishcountywa.gov\)](https://www.snohomishcountywa.gov/2024-Comprehensive-Plan-Update) from December 31, 2022 - January 31, 2023. See p.** for nine new developments that will affect our area in South Unincorporated Snohomish County during the next few coming years.
