For Current Students:

Why did I receive this communication and how does this update impact me as a current student?

I can't access forms on the UH Hilo Registrar's page. What's happening?

The UH Hilo Office of the Registrar has taken down our online Kuali forms between December 10, 2025 - January 3, 2026. Once our system is back up and running, our office will reactivate our forms and send an email out to currently enrolled students once our forms are available again.

When will I be able to see my Fall 2025 final grades in STAR?

Final grades from Fall 2025 will be viewable in STAR starting on January 3, 2026. Final grades may be viewable in Lamakū as they are available.

Will I be able to register (add or drop) any of my Spring 2026 courses during December 2025?

No registration actions will be allowed or processed from December 12, 2025 to January 2, 2026. From January 3, 2026 and onward, you will be able to register, add or drop courses in STAR.

Am I able to view class availability when the system is down?

The current class availability webpage is going down on Thursday, December 11. A newly designed [static Spring 2026 Class Availability webpage](#) will be available from December 12, 2025–January 2, 2026 to assist students and advisors during conversations about registration and class scheduling.

Can I make payment when the system is down?

No, payments will not be accepted while the Student Information System is being updated.

Ordering Transcript - how can I plan ahead & what are the deadlines?

Official transcript ordering through the National Student Clearinghouse will be temporarily unavailable during the outage.

We understand you may need access to transcripts with final grades or degree information. We recommend saving your STAR unofficial transcript prior to December 11, 2025. If you need an official transcript without Fall 2025 grades or degree conferral, it may be ordered through NSC by December 8, 2025. For the latest updates and information on accessing and ordering an official transcript, visit [Ordering Transcript](#).

When will transcript ordering be back online?

We are working diligently to get reconnected with the National Student Clearinghouse for official transcripts. Currently we cannot process official transcripts, but if you would like to submit your transcript request at this time for it to be processed when transcripts are available, please visit our forms website here. If you need a transcript immediately, please contact our office.

I am graduating in Fall 2025, will there be any delay in my degree being awarded?

UH Hilo is going to do our best to ensure we process student graduation as quickly as possible. Once our system is back up, we hope to take about 2 weeks to award student degrees.

If I submit a change of major during the outage, when will the change of major show up in STAR?

Change of major forms will be inactivated during the outage period. Once the form is back online, our office will be emailing all students to let them know when they can submit their form.

If I register for classes before changing my major and classes I register for are showing up as "Not in Plan," will my financial aid be impacted?

Yes, your financial aid could be impacted if courses show as "Not in Plan" in STAR. Our office will be processing all forms that we receive as soon as possible. If you do submit a change of major form, please know that our office will be working on that within 14 days of your submission. If the courses you are registered for meet requirements under your new major, we will work with the financial aid office to ensure your aid is not impacted. Please keep an eye on your email with communication from our office.

Will the Banner Modernization affect when I will receive my financial aid refund?

It depends. Financial aid is scheduled to disburse (be applied to your student account) on January 3rd, 2026. To minimize a delay in your financial aid refund processing, complete all financial aid requirements and register for your classes before December 12. If you have specific questions or concerns about your financial aid, contact the [Financial Aid Office](#).

When will students be notified if they have been placed on academic action (warning, probation, dismissal) at the end of the fall semester? Will that occur later than usual?

Students will be notified as soon as all grades for Fall 2025 are finalized and the students academic standing is determined. This should be completed during the week after finals.

If a student gets dismissed at the end of the fall semester and appeals for readmission, will that process get delayed?

We suggest that if students believe they may be dismissed for Fall 2025 they should speak with their faculty advisor about the dismissal process and begin working with their dean's office about their potential need for readmissions.

Can I still apply for Housing during the outage?

Yes, for students that were accepted by the university before the outage will be able to apply for Spring Housing. If you are unable to submit your Housing Application due to the Banner Modernization cutover, please email the Housing Office at uhhouse@hawaii.edu and staff can assist you with a manual application.

Can I make a Housing payment during the outage?

No.

Will this delay affect my ability to move into campus housing for Spring 2026?

No, for residents currently living on-campus in the Fall.

What if I need to cancel my housing or meal plan during December?

Housing will still accept cancellations via the Intent to Vacate or Intent to Cancel Form on your housing portal throughout the outage. - If you'd like to cancel your meal plan please email the housing office at uhhouse@hawaii.edu.

Quick Notes from 12/19/25:

- **Fall 2025 Courses not Showing up on List:** Use the search function with “Fall 2025” or the term code “202610”
- **"Narrative Grade Comment" text box:** This field is new and we are not sure where this information feeds to. We recommend leaving the “Narrative Grade Comment” field blank.
- **Chrome Browser:** Some users have noted that they had trouble, like being unable to enter a last day of attendance for students, when using the Chrome browser. Using a different browser resolved this.
- **Import Grades from a Spreadsheet:** The process can be finicky and we recommend manually entering grades for this semester.
- **The course shows “Completed” but the rolled column says “Not started”:** The UH System or UH Hilo Office of the Registrar will finalize, “roll”, the grades after grade entry closes. Once your course shows “Completed” for your grades are submitted and no other action is needed.
- **Login/Access Issues to the Faculty Dashboard:** Try a different browser or "private" mode. If your login/access issues persist, call the [UH System Helpdesk](#).

For Additional Questions Regarding the Banner Transition see: [UH Hilo Banner Modernization FAQ for Faculty](#).

When will students see their final grades in STAR?

Students will not be able to see their final grades in STAR until the system is back live in January 2026.

Faculty are also recommended to enter their grades into their Lamakū gradebook so students will be able to view their grades while STAR is unavailable.

Can I enter overrides for my Spring 2026 courses in December 2025?

Overrides can be entered up to December 11, 2025 and again after January 3, 2026.

Department Chairs:

When will low enrolled courses be reviewed for possible cancellation?

There will be only one cancellation deadline for low-enrolled courses. All cancellations must be fully approved by **12:00 p.m. on Monday, December 8th**. This ensures adequate time to notify lecturers of cancellations and, where possible, reassign faculty to courses currently taught by lecturers.

Please note: from December 9 to January 3, no schedule changes can be made in Banner.

If a course has special circumstances, a request to keep it open may be submitted through your Dean or Director before the deadline. These requests must include both a clear justification and a brief action plan to improve enrollment.

Enrollment Guidelines

- Lecturer-Taught Courses: Cancel courses that do not meet enrollment minimums — 10 students for undergraduate courses, 5 students for graduate courses.
- Faculty-Taught Courses: Cancel courses with fewer than 7 students for undergraduate courses, or 3 students for graduate courses.
- Projected Low Enrollment: Identify and cancel courses that are unlikely to meet the minimum enrollment thresholds.

Can I request changes to Course Sections on the Schedule in December 2025?

Please continue to request all changes via the Section Change Kualī Build Form:

<https://go.hawaii.edu/WMy>

All changes that are Dean/Director approved by December 8, 2025 Monday at 12 Noon will be processed in Banner before we lose access to the system at 4:30 PM that day.

Any changes that are requested and Dean/Director approved between December 8th- Noon to January 3, will be processed after Banner re-opens in January.
