

Avé,

I hope this announcement finds you well. I am very pleased and excited to let y'all know, The Satanic Temple of New Jersey has voted to shed ourselves of the national label entirely. Every congregation who has created a bank account will be able to tell you, they are "X" doing business as "Z". We have decided it's in our community's best interest to go with our legal name of NJ Satanists from here on out. Our fight against theocracy and arbitrary authority will continue, just without The Satanic Temple's overreaching jurisdiction. I'm bouncing off the walls in anticipation for what's to come for our religion as a whole!

Hail Satan!

P.S. I promised myself I wouldn't cry writing this. Here's my formal resignation from "ministry." They say a picture is worth 1,000 words.

It is done. Hail Satan!
