Self-Reflect

Task: My Goal Setting Interview

It is important to think about your goal!
A goal is a plan. Plans are usually made up of big parts and little parts. Sometimes people only think about the big parts or the main goal. They do not think about all the little steps it takes to get there. You may need to divide your big goal into smaller goals. If you take the time to answer the following questions about your goal, it will help you to understand more about goals and how you can reach them.
