[Affiliation and address]

Dear Editor of the Indonesian Journal of Chemistry,

We wish to submit an original research article entitled “*Manuscript title*” for consideration by the Indonesian Journal of Chemistry. We confirm that the written manuscript is original, and no part of it has been published before, nor is any part of it currently under consideration for publication elsewhere.

[This paragraph should cover the focus of the manuscript, describe the key findings, and explain how these contribute to the field. Explain the significance and novelty of the work, the problem being addressed, and why the manuscript is in this journal's scope. Briefly describe the research the authors are reporting in the paper, why it is essential, and why the authors think the journal's readership would be interested in it.]

Please find below a list of potential reviewers for this work.

We have no conflicts of interest to disclose.

Please address all correspondence concerning this manuscript to me at the email address of *[the corresponding authors]*.

Your consideration is very much appreciated. We are looking forward to your favorable reply.

Sincerely,

[Corresponding Author]

List of Potential Reviewers

Note:

1. Reviewers should not be from the same institution as authors.
2. Reviewers have no research collaboration with authors in the last three years.
3. It is suggested to propose the potential reviewers from different nationalities.
4. The editors will make the final decision on the reviewers.
