

November 15, 2021

Dear Parent and Students,

Moore Elementary will once again be serving as a collection point for the annual U.S. Marine Corps *Toys for Tots* campaign. This year marks the 36th year that our school has been associated with the *Toys for Tots* program and has served as a collection point.

Each year, thousands of ***new, unwrapped*** toys are collected throughout the Lehigh Valley. Items are then wrapped and distributed to those families identified by The Salvation Army and other agencies as being in need of assistance to make the year brighter.

This year has been exceptionally hard on many in our immediate area as hundreds were out of work or had limited income for a significant amount of time. This is the chance for us to help those right here close to home!

We encourage you to donate to this worthwhile cause. Last year, Moore Elementary collected over 1,000 toys! We hope to match that goal again this year!

Collection Dates: Tuesday, November 16th through Friday, December 10th

Location: Moore Elementary School Lobby

Procedure: Items may be brought to school by the child and placed in the donation bins in the school lobby, or may be dropped off during scheduled parent-teacher conferences.

Thank you in advance for your donation and for helping to make the season a little bit brighter for another child. Have a great holiday season!

Best Regards,

Katy Dremock

Toy Drive Coordinator
