General Information

No more than 7 representatives at a time from each campus.

All tables must be set-up and campus representatives on site no later than 3:30.

Parents begin arriving promptly at 4:00.

If you plan to have students serve as one of the representatives, please make sure the parents are aware of the end time of the event. **An adult from the campus must remain with the student until the parent arrives.** Students asked to assist must be in compliance with the district dress code.

The following materials will be provided for each school:

1 six-foot table; 2 chair per table

Each school may use the following in their respective display area:

Campus tablecloths

Videos /PowerPoints

Poster Board

Backboards

Retractable banners

Approved campus flyers/brochures

School tee shirts (either worn or displayed)

Business cards

Samples of student work

If you need power you will need to provide your own power strip.

The following are NOT permissible:

1. Anything that extends to the sides and/or the front of your table. Exception: small table to display student work.
This is to respect the space of the campuses beside you and to allow families to approach the table and still provide space for guests to walk.
2. Bubbles, bubble machines, smoke machines, or any open flame devices
