TEACHER REMINDER: FILE > MAKE A COPY

How will your students submit their completed work?

Google Classroom, Seesaw, paper copy, etc. Be sure to include this information and delete this reminder prior to assigning!

Directions: Visit [Great Hammerhead Shark Encounter](#). Use your mouse, trackpad, or finger to explore the 360° adventure. Come back and respond to at least 3 of the choices below.

YouTube 360 Guide	Your Answers
This takes place in the Bahamas. Locate the Bahamas on a map (if available) and give a detailed description of location.	
The waters are crystal clear. Why do you think this is?	
Research Hammerhead sharks. Create a poster– digital or paper showing 10 key points about Hammerhead sharks. Take a picture or paste a link to your creation.	
Have you ever been scuba diving? Do you think it would be fun? Why or why not?	
What equipment is needed for scuba diving? Create an informational Google Slide presentation with pictures of needed equipment and how each is used. Paste a link to your presentation.	
What other questions do you have after viewing this video?
