## *WIA Wins!*

The spotlight is on one of our Women In Action in the Ruby Forum, **Noi Brooks**, who is playing Shelita Burke's Million Dollar Game full out and is on her way to becoming a crypto millionaire: "I've made four successful trades in my Million Dollar Game. The proceeds will continue to be rolled into future trades for exponential growth. I do second-guess myself but I'm learning to stick to the plan and to take my emotions out of it – greed, fear, doubt, impatience, attachment – all of it. While the successful trades are a win, my biggest accomplishment is in working through my emotions and sticking to the plan."

### **HODL**

Commonly known as an acronym for “Hold On for Dear Life”, which captures its meaning: an investment strategy where you hold Bitcoin (or other cryptocurrencies) for a long period of time, regardless of market changes. HODL Origin Story – The first appearance of HODL was as a typo in a post to the bitcointalk forum in 2013. GameKyuubi posted "I AM HODLING," a drunk, semi-coherent, typo-laden rant about his poor trading skills and determination to simply hold his bitcoin from that point on.

## *How Hot Is It?*

There may be a 🌪️ brewing in the crypto-sphere! 😬😬👤 but crypto is still 🔥🔥🔥.

A close-up shot of Keanu Reeves as Neo from the movie The Matrix. He has a serious, questioning expression.

What are you trying to tell me,  
that I can trade my bitcoin for  
millions someday?

A close-up shot of Laurence Fishburne as Morpheus from the movie The Matrix. He is wearing his signature sunglasses and has a calm, authoritative expression.

No Neo,  
I'm trying to  
tell you that  
when you're  
ready...

you won't have to.
