Vision Statement

A leading school where excellence and tradition meet innovation

Mission Statement

To provide: a community of collaborative learning, rich culture, and meaningful relationships that prepares each student for their future

Arapahoe UIP Goal

100% of Arapahoe students will graduate prepared for meaningful post-secondary opportunities

Dear Arapahoe Parents,

March 2021

It seems as though I was writing the first newsletter of the year, and here we go into the final three months of the school year! Spring sports practices have begun, and many important state assessments are right around the corner. Look for a communication later this week about many of the details surrounding our move to **full in-person learning as it pertains directly to Arapahoe**. We look forward to seeing all of our Warriors together again!

In this issue of the Drumbeat, you will find schedules for the upcoming standardized tests for our students. All **juniors** will take the **Colorado State SAT** exam or the **SAT + Essay** on **Tuesday, April 13**. All **freshmen** will take the **PSAT-9**, and **juniors** will take the **science CMAS** on **Wednesday, April 14**. All **sophomores** will take the **PSAT-10** on **Thursday, April 15**. The results of these assessments help guide our faculty in setting goals for Arapahoe's academic school improvement and professional development each year. They are also helpful in identifying appropriate academic interventions for individual students. Results from the SAT taken as juniors can be used for college and scholarship applications in the senior year. Many colleges and universities will take the best scores on the SAT, so the State SAT results can help individuals identify areas where they can better prepare through additional coursework to try to improve their scores. **We encourage and expect our Warriors to do their very best on these important exams**. As parents, you can help by ensuring students get plenty of rest, eat well, and attend school each day throughout the important testing period.

Another exciting opportunity for our Warriors that typically brings happiness each spring is the opportunity to visit or host many of our **friends from the Wind River Indian Reservation in Riverton, Wyoming**. Representatives from the Arapaho and other tribes come to sing, dance, and speak in many of our classes to teach us about their culture and traditions; or we travel to their home, visit their schools, and meet many of their faculty, staff, and students. We look forward to the day we are able to continue these traditions that renew and foster this very unique relationship with the people for whom our school was named.

Arapahoe Sources of Strength is excited to invite you to join us in celebrating March's campaign, "Healthy Activities and Positive Coping Skills". With big life changes it's important to know how to handle and address potential challenges. Take some time this month to **focus on healthy activities**. Schedule some time for a physical activity like running, hanging outside with friends (socially distant of course), and even some time **away from screens in electronics**. As always, your Arapahoe mental health team is here to support you. Drop by the Student Services office to meet them if you haven't had a chance to do so in person. As we anticipate big changes this month, know your positive coping skills. Check out these helpful resources:

Whether it's been in the hybrid, remote, or the traditional in-person learning model, I am grateful to our incredible Arapahoe faculty and staff who continue to help our students rise to and meet the challenging academic standards expected of each Arapahoe student. Arapahoe is **committed to ensuring that each student is prepared for meaningful post-secondary opportunities upon graduation**. Academically struggling seniors need to take advantage of the adult support they have now so they are prepared to graduate in May. While we are quickly headed to the latter part of our year, every AHS student and parent must believe that **it is not too late to improve course grades**. As always, please do not hesitate to contact any of our faculty or staff should you have concerns about your student. I greatly appreciate the commitment our students are making to always do their best, and I realize it **would not happen without your support**.

As you know, an important key to academic success is solid daily attendance. Especially given the varied schedules which students have had to navigate this year, I am extremely proud to report **the average daily attendance rates**. This table compares **average daily student attendance** as of Friday, February 12, 2021, to the same point in time in 2020, 2019, 2018, 2017, and 2016.

	2016	2017	2018	2019	2020	2021
FRESHMEN	95.41%	95.85%	96.16%	96.14%	94.97%	95.81%
SOPHOMORES	94.87%	95.27%	95.28%	95.82%	94.14%	94.59%
JUNIORS	93.77%	95.16%	95.11%	94.94%	94.54%	94.05%
SENIORS	92.17%	94.46%	94.69%	94.09%	92.02%	94.85%
ALL STUDENTS	94.07%	95.21%	95.35%	95.27%	93.93%	94.80%

This is an example of how dedicated and strong our Warriors are. We appreciate all of you who will attend our [Virtual Spring Parent-Teacher Conferences](#) **beginning this Monday, March 1, 2021 and continuing through Thursday, March 4, 2021 (Friday, March 5th is a non-student day)**. Arapahoe teachers have shared that these conferences are **even more valuable when the student is in attendance**. Please **encourage your Warrior to come!**

We are looking forward this spring to celebrating our **Senior Class of 2021!** While COVID and strict quarantine restrictions will prohibit our opportunity to host a Prom and After Prom event this year, we are excited for **several events designed just for our seniors; including an in-person graduation on Friday, May 21, 2021 at the LPS Stadium**. Please see this [recent communication from LPS](#) for some basic information. We will be looking to parent volunteers through our amazing PTO to help organize and run some of these events. Detailed communication will be shared with seniors and their families in the coming weeks.

Thanks for all you do as parents to support your Warriors and Arapahoe High School!

Sincerely,

Natalie Pramenko
Principal

GRADUATION INFORMATION 2021

We are extremely excited to announce we are planning to host in-person graduation ceremonies at the Littleton Public Schools Stadium. Returning to an outside venue this year will provide families and students an opportunity to celebrate in-person. The Arapahoe High School graduation ceremony is scheduled for Friday, May 21, 2021. More information regarding the ceremonies will be provided by schools and programs in the coming weeks. Please check the [graduation website](#) frequently as information will be updated on an ongoing basis.

GRADUATION/CAP AND GOWN INFORMATION

A graduation fee of \$50 is assessed on each senior's account. If you have not already done so please visit your account in Infinite Campus and pay your fees. The \$50 fee includes the purchase of a cap, gown, tassel, diploma, diploma cover, and medallion.

Parent-Teacher Conferences

As a school community, a core value we share is strong communication between Arapahoe High School and your home. Arapahoe Parent-Teacher Conferences are here! Details on how to sign up for a one-on-one Parent-Teacher Conference have been communicated. You can also access the sign-up sheet on the main page of our website. Students are encouraged to attend whenever possible. **The conferences will be happening throughout the week starting March 1, 2021, and continuing through Thursday, March 4, 2021 (March 5th is a non-student day).** All conferences will take place outside of the school day, though not all teachers will be holding them at the same time during the conference week.

You should begin to see grades in Infinite Campus for most classes by now. We do ask that you continue to give some grace to our teachers who are working very hard to maximize their efforts in the hybrid learning model. However, there can be a little lag time between moving scores from Google Classroom to Infinite Campus. Please talk with your student first, and if you still have questions, please reach out to teachers.

AHS Teacher of the Year

We are proud to announce that nominations for the 6th annual Teacher of the Year recognition are now being accepted through March 29, 2021. The Arapahoe High School Teacher of the Year is someone who is an exceptionally dedicated, knowledgeable, and skilled teacher who is recognized by our community for exemplifying the ability to:

Financial AID

Two specific financial aid sources are the Free Application for Federal Student Aid (FAFSA) and the CSS/Financial Aid Profile. All students applying for financial aid **MUST** complete the FAFSA. The [FAFSA forms](#) are **only** online. In addition, some colleges may also require the College Scholarship Service Profile or [CSS Profile](#), which must be completed online, as well. Check with individual college financial aid offices to find out if the CSS Profile is required. Questions regarding FAFSA may be directed to their website, to 1-800-4FED AID(1-800-433-3243), or to individual colleges.

College Opportunity Fund

The [College Opportunity Fund \(COF\)](#), created by the Colorado Legislature, provides a stipend to eligible undergraduate students. The stipend pays a portion of a student's total in-state tuition when they attend a Colorado public institution or a participating private institution.

Eligible undergraduate students must apply, be admitted, and enroll in a participating institution. Both new and continuing students are eligible for the stipend. Qualifying students may use the stipend for eligible undergraduate classes. The stipend is paid on a per-credit-hour basis to the institution at which the student is enrolled. The credit-hour amount will be set annually by the General Assembly.

Senior Information

College acceptances are **contingent** upon "successful completion" of both semesters of a student's senior year. If grades drop or if coursework quality declines, it is possible that an acceptance will be rescinded when the admission personnel at the college review the final transcript. Please encourage your students not to lose steam. Encourage them to keep their grades up and not miss class. Spend time with them during meal times and enjoy their company. They need you more than ever. Help them achieve this milestone with love and support.

College Board Testing

The **state-mandated SAT** will be administered at Arapahoe High School **to all juniors on Tuesday, April 13th**. In addition, the **PSAT9 and the PSAT10** will be administered on Wednesday, April 14th and Thursday, April 15th respectively to all freshmen and sophomores.

Concurrent Enrollment Classes

Students enrolled at Arapahoe High School have the opportunity to take Concurrent Enrollment classes during their time at Arapahoe High School through Arapahoe Community College. Please talk with your school counselor before signing up. To sign-up visit our [Concurrent Enrollment LPS website](#).

Advanced Placement Information

Advanced Placement examinations will take place in May. An updated exam schedule was released on February 4th. Due to COVID protocols, logistics are being ironed out. There will be more specific communication to come. Please visit [AP Central](#) for dates and times.

Career & Technical Education

Sophomores and Juniors who are interested in attending the Area Career and Technical School (ACTS) for next school year may sign up online at <https://sites.google.com/lps.k12.co.us/cte/home?authuser=0> Students may choose from many career fields and some programs earn college credits at ACC. Students should see their counselor if they have questions.

2021-2022 Registration Information

Registration Information is being presented electronically this year. Please visit the website for all necessary information: <https://littletonpublicschools.net/schools/arapahoe-high-school/registration-2021-2022>

Upcoming State Testing

Every year, Arapahoe joins other high schools in the state of Colorado to administer standardized tests for students in 9th, 10th, and 11th grade. Scores from these assessments are utilized to inform instruction, set educational goals for our school, and to build a more complete picture of individual student academic progress. In addition, students may use the results of these tests for college applications. Please see the bell schedules in this newsletter for specific information on individual tests. Parents also have the right to opt their student out of any test. Please look for communication from Littleton Public Schools for information regarding this process during the first week of March.

News From Our PTO

Teacher and Staff Appreciation:

We would like to thank the Arapahoe community for the donations we have received!! Your monetary contributions have made our monthly appreciation efforts possible. For February appreciation, we fed our teachers with breakfast burritos from Santiagos. We are very grateful for the amazing teachers we have that are forever agile doing the best they can for our students through constant changes this year.

We do still need donations for upcoming appreciation events. Donations can be made on the [Arapahoe PTO Website](#), via Venmo to @lefeves7 or by mailing a check to Arapahoe High School made out to AHS PTO. Please make a note that your donation is for staff appreciation in the comments if using Venmo.

Help Wanted: PTO Board 2021-2022

We are already looking ahead to the 2021-2022 school year. We will have open positions on the PTO board so please consider joining our team by shadowing our current chairs. We are looking for volunteers to shadow the roles of VIPs and New Families. The current board members in these positions are phenomenal. Reach out to Michelle Redfearn (arapahoepres.lps@gmail.com) if you would like to shadow these amazing leaders, or if you have a nomination for one of these positions.

AFTER PROM:

Although students are returning to full-time, in-person learning in March, schools will still not be able to host large events. Large events of the magnitude of prom and after-prom with restrictions on venue size and capacity, last-minute cancellations and financial implications with deposits prohibit our schools from hosting proms or after-prom events this year. We understand how disappointing this news is for students, particularly our seniors. In addition, health restrictions continue to prohibit us from having large student assemblies and school dances.

Next PTO Meeting:

All parents are invited to join us for our monthly PTO meetings. Our next meeting will be March 2nd at 8:40am via Zoom. Please email Marina at arapahoeseclps@gmail.com for the code to attend our virtual meeting. We look forward to seeing you!
