Task V-Sharing Your Educational Knowledge & Gratitude-Your final task for this assignment is to type a letter or digital communication (email or another form) in which you thank a teacher for providing you with a quality education. Your written communication must include:

- a discussion of the problems in global education (including facts and stats)

- a synopsis of one case study of a child missing out on school
- an explanation and statement of gratitude about the quality education you received from this teacher

You may also include other design elements (i.e. a link to a source or website, an image, etc). Once your assignment is complete, you will submit your work to Google Classroom. In addition, you will send the letter/email/or another project type to the teacher you chose!

Before you begin writing your correspondence, please complete the graphic organizer below with all the essential information. Note the number of bullets needed to complete the task.
