

# WOMEN, GENDER & HEALTH

INTERDISCIPLINARY CONCENTRATION

## Conference Stipend Written Reportback

Please submit to [wgh@hsph.harvard.edu](mailto:wgh@hsph.harvard.edu), as well as Loretta Alamo ([lalamo@hsph.harvard.edu](mailto:lalamo@hsph.harvard.edu)) and Lauren Chapman ([lchapman@hsph.harvard.edu](mailto:lchapman@hsph.harvard.edu)) following your conference/meeting.

Name:	Kieran Todd
Degree program:	PHS PhD
Expected date of graduation:	May 2025
Department/concentration:	SBS
Email:	ktodd@g.harvard.edu
Title of conference:	Society for Research of Adolescence (SRA)
Date of conference:	4/18/2024 - 4/20/2024
Location of conference:	Chicago, IL

**Please describe in no more than 250 words**, how you engaged with issues of gender and health at the conference/meeting. For example, if you gave a presentation or attended sessions, please provide a brief summary of highlights of the session; and/or if you engaged with participants at the conference/meeting please share what new insights you gained into particular topics linking gender and health justice, etc. Also, if you submitted an abstract, please paste it in at the bottom of your statement (and the words in the abstract do not count against the 250 words of your description of what it was like to attend the conference/meeting).

Following your conference/meeting, you are invited to attend an upcoming WGH working group (see dates online/in our newsletter) to briefly share about your experience and how you engaged with issues of gender and health.
