

Rogers International School Summer Reading *incoming* Grade 3

During this summer, you will be exploring ideas that connect to the International Baccalaureate Primary Years Program Key Concepts. The PYP Key Concepts provide a structure for the exploration of significant and authentic content. You will be connecting the PYP Key Concept below during your summer reading as well as throughout the school year.

Incoming Grade 3 students will be connecting to the PYP Key Concept:

Perspective

PYP definition of the Key Concept of Perspective:

The understanding that knowledge is moderated by perspectives; different perspectives lead to different interpretations, understandings and findings; perspectives may be individual, group, cultural, or disciplinary.

Key question: What are the points of view?

Please reflect on the assigned PYP Key Concept as you read **Beatrice Zinker Upside Down Thinker by Shelly Johannes** or **Planet Omar, Accidental Trouble Magnet by Zanib Mian** and be ready to share ideas throughout the school year.
