

1: A Bill to Increase the Minimum Wage (DSDL)
Seth/Seth

Questions/Observations:

For Passing the Piece of Legislation/Pro	Against Passing the Piece of Legislation/Con
<ul style="list-style-type: none">• As inflation goes up, minimum wage stays the same. Therefore, as inflation goes up, there are wage cuts to employees with the same wage.• Attract workforce back to you with raise in wage• Raising minimum wage does not increase inflation as much as people think• Raised productivity• 	<ul style="list-style-type: none">• Does not cover tipped employees• Might be better if up to states because consumer prices will vary from state to state• Put small businesses out of business• What happens with deflation• This is going to create runaway inflation
