Parents & Guardians,

Welcome to 5th grade! We are going to have a wonderful and exciting year! The list below reflects items that your child will use in class this year. They should bring these items on the first day of school. **Please do not send additional or special supplies as students will not be able to store them in their desks (We have tables).** Please let us know if you need any help securing the items on the list! Additionally, you will need to purchase a homework agenda in the fall. Thank you for your support!
