

DIGITAL MEDIA
TECHNOLOGY

Permission for Equipment Use/Check-Out

This agreement is between the student, the parent(s), and Summit Technology Academy. It pertains to liability for using the Digital Media Technology laptop computers, cameras, hard drives, and any other technology items a student may check out (lights, reflectors, handheld recorders, bags, etc...).

Parents and students will be held financially liable for items in the care of students if these items are damaged or lost. In the case of computers, the cost is roughly \$2000. For example, a laptop screen was broken when a student dropped a laptop, and the cost for repair was over \$700. **Please be careful!**

Please note: it is NOT a requirement to check out equipment for any project but a privilege available at certain times.

Please complete the online form as well:

<http://bit.ly/staequipform>

- I understand that there is no charge for using the STA equipment.
- However, if the equipment is lost or destroyed while checked out, I agree to replace the equipment at my own expense.
- Also, if the equipment is damaged, I agree to pay to have the equipment fixed or replaced (whichever is less).
