Participation Rubric

| 5 | 4 | 3 | 2 | 1 |
|---|---|--|--|--|
| Student eagerly and actively participates in the warm up and daily activities. Student is an asset to their team and to all class activities. | Student remains active for the majority of the class activities. Student remains in one area and participates when play is near them. | Student is only active when play is near them. Needs to be reminded by the teacher to be actively involved in both the warm up and class activities. | Student is stationary for the majority of the class. No effort in warm up or game play. Ignores comments from the teacher to get active. | Student is on the field/court but makes no effort to participate in the class activities even after constant reminders from the teacher. |

Attitude & Sportsmanship Rubric

| 3 | 2 | 1 |
|--|---|--|
| Student is an asset to the activities going on in the class, following the rules and using teamwork when necessary to be successful during class activities. | Student shows signs of poor sportsmanship by accusing others of cheating or swearing and complaining during activities. Behavior stops after the first time the teacher comments on the poor behavior. | Student continuously shows signs of poor sportsmanship by using poor language or complaining about how others are playing. Student does not change behavior after the teacher comments. |

Safety & Following Directions Rubric

| 2 | 1 |
|---|--|
| Students follow the daily routine without needing any reminders from the teachers. They follow the rules of the games being played and possess self-control using the PE equipment. | Students need to be reminded to control themselves and participate in daily activities safely. Student struggles with following directions and needs constant reminders from the teachers. |
