

Whitetails Unlimited

Whitetails Unlimited is offering one \$350 scholarship to a graduating senior who plans to attend either a technical college or university with a major relating to conservation, wildlife, forestry, natural resources or to prepare for the Department of Natural Resources employment.

Please write below a short stating your educational and career goals. Please list extra-curricular and other activities, and any honors or awards received. Continue on the back or put on a separate page if necessary.

Scholarship money will be awarded upon receipt of a copy of your grades for the first quarter or semester in school.
