

Portfolio Piece Reflection Sheet

Title of Piece: _____

Subject: _____

Course, Trimester, Year: _____

Write a reflective paragraph in which you explain why you have included this piece in your portfolio. Your paragraph should help you present this piece at your G.B.R.

You may wish to consider the following prompts:

- What did you learn about yourself or the world?
- What new skills or ideas did you develop?
- What difficulties or problems did you overcome?
- Why is this piece special or interesting?
- How was the piece representative of the class in which it was assigned?
- What do you love about your work and what could be improved?

You should definitely say with which area(s) of the Mission Statement and Portrait of a Graduate it aligns. This will make G.B.R. prep much easier.
