

Money-Back Guarantee Agreement

By joining Skoolpreneurs Pro (“the Community”), you agree to the following terms and conditions regarding our money-back guarantee:

1. Active Participation

You commit to fully engaging with all aspects of the Community, including:

- Attending all scheduled weekly 1:1 calls with us.
- Actively participating in discussions and activities.
- **Utilising** the provided resources such as advanced sales training, sales & research call scripts, Instagram **funnelling** strategies, DM scripts, offer templates, and mini-challenge templates.

2. Implementation of Strategies

You agree to diligently apply the weekly guidelines and strategies discussed during our 1:1 calls. This includes:

- Executing the **personalised** action plans provided.
- Implementing the sales techniques and funnel strategies as instructed.
- Using the scripts, templates, ads, and content strategies provided to enhance your community engagement and conversion rates.

3. Distinction of Generated Business

- **Business Generated Through Our Strategies:** Only the business and revenue generated directly from implementing our strategies, resources, and guidance will be counted towards recouping your investment.
- **Organic Business:** Revenue generated independently of our strategies and resources (i.e., organic business you would have generated without our involvement) will not be counted towards recouping your investment under this guarantee.

4. Communication

You will maintain open and timely communication, informing us of any challenges or obstacles you encounter so we can provide additional support or adjust strategies as needed.

5. Documentation of Efforts and Results

- Keep detailed records of your activities, including:
 - Notes from weekly calls.
 - Evidence of implemented strategies (e.g., screenshots, campaign results).

- Tracking of community growth and **monetisation** metrics resulting from our strategies.
- Clearly distinguish between revenue generated through our assistance and your organic business.

6. 60-Day Guarantee Period

The money-back guarantee is valid for 60 days from the date of your **enrolment** in the Community.

7. Eligibility for Refund

- You must have adhered to all the terms outlined above.
- If after 60 days of following our guidance and implementing our strategies you have not recouped your \$999 USD investment through business generated directly from our assistance, you may request a full refund.
- Refund requests must be submitted in writing within 5 days after the 60-day period ends.

8. Refund Amount and Currency

- The payment made was **\$999 USD**.
- In the event of a refund, the amount refunded will be **\$1,500 AUD**.
- The refund amount is fixed in Australian Dollars (AUD) at \$1,500, regardless of currency exchange fluctuations.

9. Refund Request Procedure

- Provide a detailed account of the actions taken to implement our strategies.
- Submit supporting documentation as evidence of your efforts and the results achieved through our assistance.
- Clearly differentiate between revenue generated from our strategies and your organic business.
- Allow up to 14 business days for us to review your request and respond.

10. Exclusions

- Missing more than one scheduled 1:1 call without prior notice.
- Failure to implement the provided strategies and guidelines.
- Insufficient documentation of your efforts and results.
- Not communicating challenges or issues in a timely manner.

11. Acceptance of Terms

By joining the Community and completing your payment of \$999 USD per year, you acknowledge that you have read, understood, and agree to abide by these terms and conditions.

Let's grow together and make your Skool community thrive! 🚀

*Note: This agreement **emphasises** the importance of your active participation and implementation of our weekly guidelines to achieve the desired results. Using our scripts, templates, ads, and content strategies is essential and counts towards recouping your investment. Our commitment is to provide you with the tools and support needed to **monetise** and scale your community effectively.*
