Current promotion:

Bilingual emcee + 2 x 30mins of music for \$950. (Usual cost is about \$1200)

If you just want music without emceeing,

1 set: \$400

2 sets: \$600

3 sets: \$850

Each set is 45 mins Long.

Emcee only: \$688

The prices above include a prior meet up with the couple and also, the inclusion of my own speakers and sound systems !:)

My performance includes percussion, guitar and singing all in one, this can be seen in the showreel which link I provided below(look out for the song Stand By Me). Hence this allows me to make your wedding a more vibrant one, as the music have more dynamics!

And best part is, for the price of one entertainer, the music will sound almost as if 3 more people are performing!:))

My set list will have top40s songs ranging from the 70s to today. Hence you can expect to hear songs from Bee Gees, carpenters, Ronan Keating, Coldplay, Ed Sheeran and many more!

Furthermore, I have some mandarin class love songs as well:)

Couples can have 2-3 song requests prior to the wedding and I will try my best to learn it.

Let me know soon as my calendar is filling up pretty fast! Anymore enquiries you can reach out to me at 96325333!

Thanks again!

Regards,
Jie
