

# Privacy Policy

**Last updated:** October 2025

sixty9apps (“we,” “us,” or “our”) built the *Match Master* mobile application (“App”) with your privacy as our top priority. This Privacy Policy describes how we handle your information when you use our App.

By using *Match Master*, you agree to this Privacy Policy. If you do not agree, please do not use the App.

---

## 1. Information We Collect

**We do not collect any personal information.**

*Match Master* is designed with your privacy in mind. All game data — including your progress, best scores, moves, and wins — is stored locally on your device only. We do not have access to this information.

---

## 2. Local Data Storage

The following information is stored locally on your device and never leaves your device:

- Your total wins for each game type (Numbers, Alphabets, Animals)
- Your best moves for each game type
- Game statistics and progress
- App preferences and sound settings

**This data is only accessible to you and is never transmitted to us or any third party.**

---

## 3. Third-Party Services

*Match Master* does not use any third-party analytics, advertising, or data collection services. The App operates entirely offline and does not require an internet connection to function.

---

## 4. No Advertisements

**We do not use any third-party advertising services.**

You will not see any ads while using *Match Master*. The App is completely ad-free for your enjoyment.

---

## 5. Audio Files

*Match Master* includes audio files for sound effects and voice pronunciations.

All audio files (numbers, alphabets, and animals) are stored locally within the App and are not transmitted anywhere.

---

## 6. Data Security

Since we do not collect or transmit your personal data, there is no risk of data breach or unauthorized access to your information through our services. Your game data remains secure on your device.

---

## 7. Children's Privacy

*Match Master* is safe for users of all ages, including children under 13.

We do not collect any personal information from anyone, including children. The game is designed to be educational and entertaining without any privacy concerns.

---

## 8. Your Rights

Since we do not collect any personal information, there is no data for us to access, correct, or delete.

All your game data is stored on your device and can be removed by simply deleting the App.

To reset your game data, you can delete and reinstall the App, or manually reset your statistics within the game.

---

## 9. Changes to This Privacy Policy

We may update this Privacy Policy from time to time to reflect any changes in our practices or for other operational, legal, or regulatory reasons.

Changes are effective when posted on this page.

---
