Dear **[INSERT Elected Officials name here]**,

My name is **[INSERT YOUR NAME]** and I am a passionate advocate for the United Nations Sustainable Development Goals (SDGs) and their goal to build a sustainable society and planet. I'm reaching out to you today about SDG 14, which focuses on Life Below Water. To reach the targets set out in this goal, I urge you to support legislation that...

- **Conserve coastal and marine areas** by protecting a larger portion of coastal areas.
- **Decrease ocean acidification** by reducing the amount of greenhouse gas emissions released, as our oceans absorb  $\frac{1}{3}$  of our carbon dioxide.

As your constituent, I hope you share my passion for supporting our oceans and coastlines. Thank you for your time and consideration.

Sincerely,

**[INSERT YOUR NAME] resident of [INSERT YOUR TOWN or CITY]**
