

### **Week of May 4th:**

Our letter this week is the letter "m". How many words can you think of that has an "m" in it? Practice saying the sound the "m" makes (mmmmmm).

Our word this week is VERY special. It is the word "mom". This word is spelled the same way forward and backwards. We picked the word "mom" for this week because Sunday is Mother's Day. Make sure you are extra kind to your mom this week.

### **Jk:**

Practice printing the letter M,m. Can you think of things that start with m? Draw pictures of them.

### **Sk:**

Write mom a special sentence or a poem telling her how special she is to you. Draw a beautiful portrait of you mom.

## Mom, I Love You!

Mom, I know you love me,  
by the way you show you care.  
You hug me and talk to me softly,  
When I need you, you're always there.  
Mom, I'll love you always.  
From my heart I want to say,  
I'm so glad you are my mom.  
Happy Mother's Day, Mom!  
I love you, Mom!

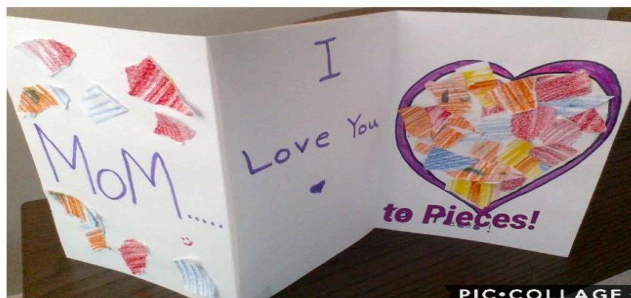

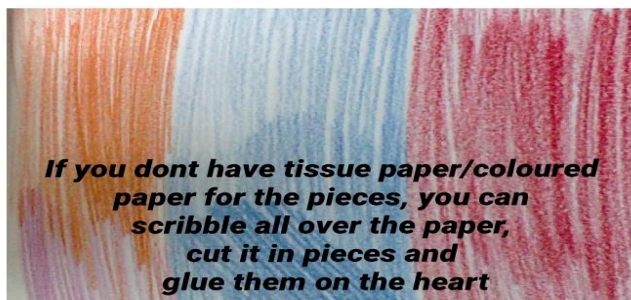

## Maker Monday:

Make your mom a beautiful Mother's Day card. Make sure you use lots of colours and do your best job. Count how many hearts you put into your card. Don't forget to fold the paper in half. On the front, you can write: To Mom.

On the inside, write her a special message telling her how much you love her. When you are done, put the card in a safe hiding spot so your mom doesn't see it until Sunday.

See Mrs. T's example below!

Don't forget to treat your mom like a princess on Sunday. It's her special day!

Here's a fun Art challenge for the month of May!
