

Food Drive Kit

Initial Introduction

Hello,

I would like to introduce myself, I am [REDACTED], an Advisory Board Member for a nonprofit organization called Eat Better Live Better.

Our mission is to prevent, reverse and reduce childhood obesity and other dietary-related illnesses by providing healthy foods and nutrition education. Our vision is that all children, families, and individuals have access to nutrition education and healthy foods regardless of background or life experiences.

We service Palm Beach County and surrounding communities when the need arises. We feed people with dignity and we would love your help collecting food items.

Would you be willing to host a food drive?

I look forward to hearing from you.
