## Report on Ganpat VolunTeacher Movement (GVM) Session

The session was scheduled for Ganpat VolunTeacher Movement (GVM) as part of the orientation program on Tuesday, July 25, 2023, at 9:30 am for newly admitted students. Newcomers were divided into two batches and presentation was done in both the batches. Mr. Amit Makwana Coordinator of GVM Ganpat University conducted the session. Mr. Amit focused on ideology of giving back to society through education. Mr. Amit talked about education is not just to get a job, earn money, and start up a business; it's much beyond it. At GVM, the GVTs try to engage the kids in such activities that they realize their own likes and dislikes, their own strengths, and weaknesses, and take a conscious call on all of their major decisions. He also added Ganpat VolunTeacher Movement (GVM) not only aims at imparting value-based education to the needy lot but also to encourage them to march ahead on the path of self-realization

Finally, he motivates management and commerce students to come forward and participate in the activities like GVM. This session was moderated by Dr. Vipul Patel, Associate Professor, GUNI VMPCMS.
