Hey TradingLab

Have a good day,

Nicolaj Burian

Context before you take a look at what I made

It's a simple quick post you can use to convert your current subscribers over to your page.

This post should really motivate them to go over to your page and then they should already be fired up from that post to then actually buy the Indicator.

YouTube Community posts:

I decided to use an effective strategy

I do my best to connect their problems with your program because then they'll have that urge to at least click over to your page.

Here's the post:

SLs

If you think you "time your trades right",

How traders that are just starting out are landing consistently profitable trades

The One Trading Strategy That Even Traders Just Starting Out Are Currently Exploiting To Effortlessly Make Profitable trades

Why 93% of all of the trading strategies is trash, And discover the stupidly simple trading strategy even traders JUST starting out are using to make profitable trades

How these traders that are just starting out aren't missing out on a single profitable trade and how you can too even with zero trading experience
Trader Who Are Just Starting Out Are Not Missing Out On Any Profitable Trades

Even If you're a complete beginner, you can easily still master this skill overnight!

And no, It's not a badly developed Indicator that'll just time your trades horrible

Body

If day after day you miss out on profitable trades.

And..

Meanwhile some traders seem to effortlessly profit from the same opportunities you miss out on.

It's not because they have more experience than you do.

They also don't sit hours upon hours a day wondering when to make the trade.

Plus, even clueless beginners have been able to easily use this to time their trades!
