

Dear Nettingham School Community,

Welcome to the PTA page for Nettingham Middle School! I'm thrilled to serve as your PTA President for the 2025-2026 school year alongside an outstanding Executive Board.

Our mission is simple: to create meaningful experiences where every student feels welcomed, valued, and connected to our school community. Whether it's through our grade-level socials, cultural programs, author visits, or family events, we're committed to making sure every child has opportunities to participate and thrive.

This year, we're excited to grow our membership and we're focused on supporting our teachers with classroom resources, bringing engaging programs to our students, and creating events that bring our community together. We're especially looking forward to hosting our first parent social in a long time - a chance for families to connect and celebrate together!

Your membership makes all of this possible. For just \$10, you help fund the programs, events, and resources that enrich your child's middle school experience. Please consider joining the PTA today - and if you're already a member, thank you for your support!

I believe in open communication and collaboration. If you ever have questions, ideas, or concerns, please don't hesitate to reach out to me at nettinghamptapres@gmail.com. I'm here to listen and work together to make this a great year for all of our students.

With gratitude,

Lauren Reed

Nettingham Middle School PTA President
