

## Manzanita Lake Outing **June 13-16, 2024**

**Leader: Scott Thomas 707-953-5655**

**NOTE: This event is restricted to RRFF club members only.**

Manzanita Lake is beautiful and cold at 5,900 foot elevation in Lassen Volcanic National Park. Truly-wild rainbow and brown trout are the two species that make this lake a fly-fishing favorite.

**Please put your name and contact info on the signup list. Please don't share this signup sheet with non-members.**

If you want to edit the signup list with a smartphone, install Google Docs App.

**See the Detailed Outing Information on Camping and Fishing below the Signup List.** If you feel like you need any assistance on equipment or technique fishing at this location, or if you need some mentoring help, please ask the trip leader. We want you to have fun and be successful.

The lake is best fished in man-powered watercraft, float tube, pontoon boat, small boat, or kayaks (No motors allowed). Nymphing with indicator, stripping leeches and wooly buggers, and dry flies along weed beds. Wild rainbow and brown trout are the two species present. Sight-fishing with dry flies on the flats in gin-clear water is fun and challenging. Fly rods 9ft in 5-6 weight, tapered 5X-6X leaders for dry fly fishing and 4X with indicator for nymphing.

***June 5th, 2024 update: One week away! Call me with any questions or I'll see you there. We will have a group meal Saturday Night night at a campsite TBD. Please list what you can contribute. Additional entree, veggies, sweets, drinks, appetizers, salads, etc. Call me if you would like to discuss anything as there will be no emails. Just this site for information. Thanks***

### Camping:

Manzanita Lake Campground will accommodate tents and RVs, and there are some cabins rented. Reservations can be made online at: [www.recreation.gov](http://www.recreation.gov), **BUT YOU SHOULD MAKE RESERVATIONS SOON**, since the camp is very popular. [NOTE: Campsites are released for reservations EXACTLY 6 months before the desired date]. There may be some walk-in sites available on a first-come, first-served basis. You may want to share a campsite with another club member (contact information can be found in the signup list above).

## Regulations:

- **Entrance fee** - Besides the campsite fee, there is a 7-Day Vehicle Entrance Pass \$30 fee. See <https://www.nps.gov/lavo/planyourvisit/fees.htm#fee> for details.
- **Fishing License** - You will need a standard California fishing license.
- **Park Regulations** - You will need to follow all national park regulations (see <https://www.nps.gov/lavo/index.htm> ).  
Remember: This is a national park - don't make a Ranger unhappy or they will make your day very unhappy.

## Fly Fishing Gear:

The lake is best fished in man-powered watercraft, float tube, pontoon boat, small boat, or kayaks (No motors allowed). Nymphing with indicator, stripping leeches and wooly buggers, and dry flies along weed beds. Wild rainbow and brown trout are the two species present. Sight-fishing with dry flies on the flats in gin-clear water is fun and challenging. Fly rods 9ft in 5-6 weight, tapered 5X-6X leaders for dry fly fishing, 4X with indicator rigs for nymphing, or 3x for stripping streamers.

**Flies:** Dry Flies: mayfly and caddis imitations. Nymphs: midges, stoneflies, mayfly and caddis imitations. Streamers: Damsel flies, Wooly buggers, Jay Fail Wiggle Tails, Matulkas.
