

Intuition: The gut feeling you get about something, knowing what you could be doing is wrong.

Imagination: made up/dream of something, playing as a child and making stuff up

Individualism: doing something that others are not, standing out by being alone

Inspiration: something that causes you to want to do something, a circumstance comes up and you do something for someone

Idealism: how something should be, childlike

1. She looked like she had been beaten and was jealous/cheated her husband of money
 - a. He did not care for her only for the treasures in her apron.
2. He will open a broker shop for people and cheat them out of their money, so he can have more.
3. He is worried that the devil is coming for him and doesn't know what will happen to him.
