

Visual Art Show - May 11th. OPEN HOUSE FORMAT 4:30-7pm

Please join us to celebrate the visual creativity the students have put together. Encourage your student to be a part of the event.

Thank you for the paper tube donations - keep them coming as we still have lots of creative time this month. The last cycle of the month is outside art time. Paper airplanes and so much more. Thanks for all your support this year.

BAND Congratulations to our Band students! They have been working hard and will perform their first concert on Thursday, May 11, at 6:00 pm. They are so excited!

UNIQUE PATHWAYS

As we wrap up the school year in iUP, students will get lots of time to be creative! Kindergarteners are wrapping up a fiction/nonfiction unit, and will end the year with solving Mysteries. 1st grade will be creating cities that Ozobots can explore. 2nd & 3rd graders are wrapping up a nonfiction project and will be making board games! 4th graders are going to learn all about passion projects and will have time to choose something meaningful to them to create. 5th graders are going to be 3D printing & designing iPad apps. Thank you for a great year CRE! Sincerely, Andy Beauchamp

Innovation

The last day of book checkout will be the week of May 15th! We will be working really hard to return all books before our year comes to an end. Before the summer garage sales, consider donating your old books to the library. We are looking for popular titles to fill our vending machine for next year. Can't wait to make some fun changes to the library over the summer to greet the students in the fall. Have a great summer! *Sam Mueller

Greetings from the Music Room! 5th graders conclude their ukulele unit this week; on to learn a song they'll sing for graduation: Count On Me!

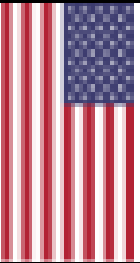

4th grade begins their time with the ukuleles. The Clover Ridge Choir will perform in concert next week: Thursday, May 11 at 6:00 pm in the gym; the band will also play at this concert. Thanks to those who attended our Music Scholarship Benefit Concert; you can make a donation- checks payable to 112 Music Scholarship and bring it to the main office; my attention. Thanks!

May 16 is the 5th grade Field Day. All the 5th graders in the district gather at Chaska High School for amazing events. The Clover Ridge Field Day is on June 2nd. 3rd-5th is in the morning, and K-2 is in the afternoon. Please consider volunteering for one of our stations on this day. Stay tuned for more details. Lastly, remember that May is bike month. Bike Bingo Cards, a Safety Video, and info for events sponsored by Chaska Parks & Recreation can be found on the phy ed website:
