NEW TRAFFIC INTERSECTION! The intersection of Apple Orchard and Heritage Drive has changed today. After much consideration and in an effort to make this awkward intersection safer, the Security Committee and Board of Directors has approved moving the current stop sign and stop bar (in yellow) up to the actual intersection indicated in RED. Please use extreme caution in the next weeks as everyone becomes aware and comfortable with the new stopping spot. There is still a pedestrian and golf crossing walk behind the stop area with a new crossing sign being installed as a reminder.

We are hopeful that this will make the intersection less confusing, especially for the many guests and vendors that use this intersection.

Stay safe River Hills,

Amy
