PSOA DOOR PRIZES

Door Prizes are typically used as incentives to entice members to attend meetings or other PSOA Events.

Annual Meeting Cash Prizes

The Executive Committee determines the amount and the number of prizes to be awarded via random draw (tickets handed out to members on the way in the door) and votes on whether to approve or disapprove the awards. Thus, based on PSOA's fiscal health, this is not a guaranteed yearly prize award.

Picnic Give-Away

The Picnic Committee decides on some "give-away" that can be given to all PSOA members who attend the annual picnic. Once the "give-away" is determined, a budget amount is voted on by the Executive Committee. Additional quantities are usually ordered that can be purchased at cost by members who did not attend the picnic. The "give-away" should have some theme related to soccer refereeing.
