 - A dense forest with multiple biomes, including a swamp with a canopy so thick that no light can make its way to the forest floor.
- Baby Jason (he/him)
 - An excitable Speedy Speed Boy who was saved by Misha in Roulettia. Viv's brother, and the more innocent of the two.
- The Blue Fairy
 - The leader of the Jagged Dream responsible for disassembling Ness. Deceased.
- Coachman's Tree
 - The hideout of the Speedy Speed Boys. It's shaped like the roots of a giant tree, but is made out of neon-colored metal grating.
- Dr. Signus Collodi (he/him)
 - Creator of the JARVIS line of robots, including Misha. Wore a ratty labcoat and was an all-around bad dude. Deceased.

- The Iron Wind
 - A wind that roams through The Beyond, changing anything it touches.
- Jimmy Win (he/him)
 - The larger-than-life leader of the Speedy Speed Boys. He holds a grudge against Misha, who he claims murdered someone 45 years ago, tarnishing the reputation of the Speedy Speed Boys. Respects his elders.
- Karl Badge (he/him)
 - Elee Badge's late husband who loved music. Karl was murdered many years ago on his way to adopt a child. The killer was never found.
- Mystery Box
 - A technicolor box with the Iron Wind trapped in its netting. When used, applies the effect of a random cypher to its target. The Speedy Speed Boys use these when racing.
- Viv (she/her)
 - An excitable Speedy Speed Boy who was saved by Misha in Roulettia. Baby Jason's sister, and the (slightly) more worldly of the two.
