

Stillwater / Sweet Grass Special Services Cooperative Newsletter April 2024

Welcome

Welcome to the first edition of the Stillwater / Sweet Grass Special Services Cooperative Newsletter, which I hope to get out monthly during the school year. Thank you for those who completed the CoOp survey last month which included improvement ideas such as this newsletter. Other questions from the survey included wondering what happens at board meetings and what the Cooperative does (Program Narrative). Did you know, the Cooperative has had a website for a little over one year with this information plus more? Visit us at <https://sites.google.com/ssgc.k12.mt.us/ssgc/home>.

Training

There are opportunities for trainings and resources in our area. Today, we will highlight Region III of the Comprehensive System of Personnel Development (CSPD). Some information is online <https://sites.google.com/opiconnect.org/cspdtrainingcalendar/statewide-events>, but if you wish to see more, I would encourage asking for their weekly newsletter by emailing john.keener@msubillings.edu

MCEC Conference

The MCEC Conference occurred earlier this month. If you would like to look through some of the materials, they can be found
