

Here we go!

Haaye garba ri beat baaje  
On repeat baaje  
Aaj ghar jaane ki na baat karo ji  
Chaand ko sohne na do subah hone na do  
Aaj khwabon se mulaqaat karo ji

Colorful sitare zameen pe hain saare  
Ta-thaiya saari raat karo ji

Halo re halo halo re halo  
Halo re halo halo re halo halo ji  
Halo re halo halo re halo halo ji  
Halo re halo halo re halo halo ji  
Halo re halo halo re halo halo ji

Haan ude teri nazar meri odhni ke sath mein  
Dil ka remote zara rakh apne hath mein  
Tu akela nahi tere jaise kayi  
Behke jo baat baat mein

Aisa waisa nahi sabke jaisa nahi  
Hai galat yeh galat-fehmiyan  
Hai tujhe bhi pata maine jo bhi kaha  
Teri aankhon mein bhi padh liya

Isharon isharon mein na ho guzara  
Chalo mere saath chalo ji  
Ae halo re halo

Halo re halo halo re halo halo ji  
Halo re halo halo re halo halo ji  
Halo re halo halo re halo halo ji

Halo re halo halo re halo halo ji  
Halo re halo halo re halo halo ji  
Halo re halo halo re halo halo ji
