

Dear [mention the first name of the sister],

You are the most precious person in this whole world and I am very glad that you are my sister. However, this day is a very special one for you and I wish that it gives you immense happiness and joy.

It seems like it was just yesterday that you were walking down the aisle with dad ready to spend the rest of your life with [mention the first name of sister's husband] and time just flew by and we got to your [mention the relevant number of years] wedding anniversary.

You were always sweet and kind to everyone and it feels so nice to see that you have found yourself such a partner who respects you for who you are. I hope that your marriage is ever-lasting and both of you continue to live peacefully until the very end.

No one will replace you in my life as you have always stood by my side even in very dire situations and I will never forget that and I give you my word that you can expect the same from me. I am the person you talk to whenever you want and I will never say no to you.

Be the same and never change my sweet little sister.

Regards,

[Mention the first name of the brother]
