

Elementary & Intermediate Weekly e-Learning Plan

Learning for the Week of: April 6-9

Grade Level/Content: 2nd Grade/Social Studies

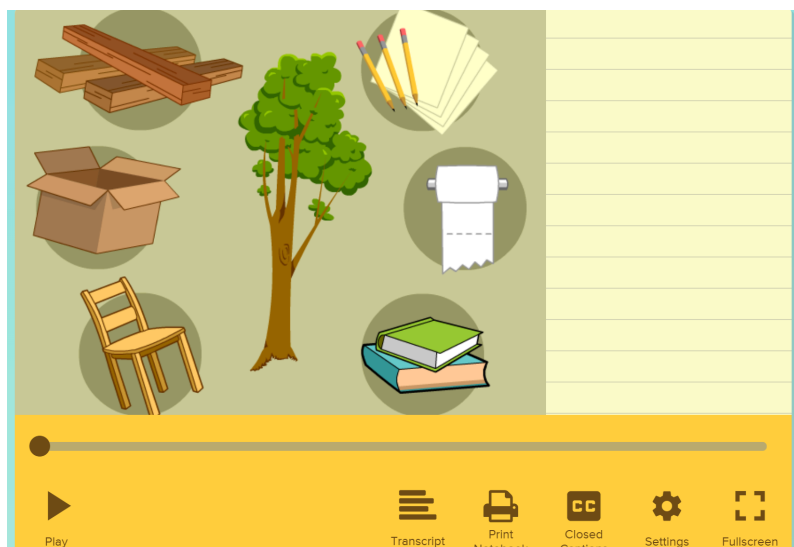

Learning Objective: Explain how people depend on the physical environment and natural resources to meet basic needs

Student Success Criteria: I know I am successful when I can explain how natural resources help us meet some of our basic needs.

Estimated Time to Complete:

Phase 1: Get Ready to Learn:

[View](#) the BrainPop video on Natural Resources

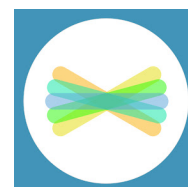

Phase 2: Experience the Learning:

Activity 1: Take either the Easy quiz or Hard quiz after viewing the video in BrainPop.

Activity 2: Watch [The Lorax](#) read aloud.

Activity 3: Print the [The Lorax Activity](#) document or complete in Seesaw.

Here is how I would help the Lorax take care of our Earth!

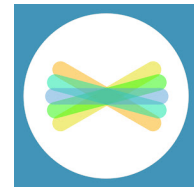

Some of our natural resources are non-renewable. A non-renewable resource is...

I would help the Lorax take care of our Earth by...

Phase 3: Show What You Know:

Complete the following activity in Seesaw to show your understanding of [Renewable and Nonrenewable Resources](#)

Renewable and Nonrenewable Resources

Student Support

Extensions

Complete the [Seesaw](#) Activity using the map of Texas to identify natural resources in our state.
