

Parental/Guardian Consent Form

This parental consent form serves both to inform you and to request permission for your child's photo/image and personally identifiable information to be published on the church's website.

There are potential dangers associated with the posting of personally identifiable information on a web site since global access to the Internet does not allow us to control who may access such information. These dangers have always existed; however, we do want to celebrate your child and his/her work. The law requires that we ask for your permission to use information about your child.

Pursuant to law, we will not release any personally identifiable information without prior written consent from you as parent or guardian. Personally identifiable information includes youth's names, photo or image, and times and locations.

If you, as the parent or guardian, wish to rescind this agreement, you may do so at any time in writing by sending a letter to the church office or by email at bethelamechatt@gmail.com and such rescission will take effect upon receipt by the officers.

I/We GRANT permission for this student's photo/image and all other personal identifiers listed above to be published on the Church's public Internet site.
