Another exciting Pennsylvania Deer Season approaches November 20, 2020 Pennsylvania, Lock Haven
... Deer hunters continue to experience antlered-buck-harvest-success levels comparable to historic highs in the late 1990s and early 2000s. In recent years, about 22 percent of all hunters have harvested an antlered deer, and we look for this trend to continue. The 2019-20 antlerless deer harvest was 226,191 ..,
