

## **TEAM Monterey Field Trip 2025**

**When:** Thursday, March, 6, 2025, 7:15 AM until 4:30 PM

**How:** Meet to board buses in front of the PAC at 7:15 AM sharp! Drop off when we return will be the same. We will leave Monterey by 2:30 PM, and should be back around 4:30 PM, depending on traffic.

**Where:** Monterey Bay Aquarium and Cannery Row, 886 Cannery Row, Monterey, CA 93940

**Make-up Work:** **Get make up work for your non-TEAM classes in Advance of the Trip!**

**Why:** This field trip has something to offer for all three TEAM academic classes. For Biology, students will be able to learn about the biodiversity of our oceans and how to protect them through our consumer choices. For English, students will be able to learn a bit more about John Steinbeck, one of America's most important authors. For History, students will be able to visit Cannery Row and see what it was like to be a worker during the early 1900's in coastal California.

**What to Bring:** Students should wear layers (TEAM T-shirts!), and comfortable shoes-- students will be on their feet for much of the day, and weather is variable in Monterey. A watch or cell phone to keep track of time is important since students will often have designated meeting times as they visit museum exhibits. They should also bring snacks, a lunch, a water bottle, sunscreen, and a hat. In addition, they need to bring a pen or pencil to write with—we will provide a journal for them to write in.

**Alt Driving:** **If you might need to leave/arrive early due to an extracurricular or sport, please let us know a week before and fill out the Alternate Driving Plans Google Form found on the TEAM website's Learning and Field Trips page or on Schoology in IntraTEAM Course.**

**Ms. Brimhall's cell phone, in case you need to reach me early on the day we go, is 650-208-3971.**
