

CONTRIBUTOR

WHAT is a Contributor?

Contributors engage in work to impact the community (local, regional, global) by building awareness, utilizing resources, and/or developing solutions to authentic, challenging problems.

WHY Contributing?

Becoming a contributor allows learners to build connections and value interactions with others in order to impact local, regional, and global communities.

HOW to be a Contributor:

Contributor Criteria	Learner Behaviors
Identify issues that will impact the community	<ul style="list-style-type: none"> Analyze community needs and determine steps to address those needs
Explore Perspectives	<ul style="list-style-type: none"> Explain the ways in which the work might be impacted by different perspectives
Utilize Resources	<ul style="list-style-type: none"> Select and explain how appropriate resources are authentic to the work
Assess Impact	<ul style="list-style-type: none"> Explain how the work will have an authentic impact in a variety of communities and with themselves Analyze and reflect on the impact of the work for the intended purpose
Sustainable Improvement	<ul style="list-style-type: none"> Describe how the work results in an improvement of a situation over time and contributes to society
Engage in Feedback, Reflection, and Revision	<ul style="list-style-type: none"> Provide and receive feedback in ways that advance the ability to produce high-quality work Reflect and revise work
