OWLS – September 25, 2025

Branson Comedian DVD

Only eleven OWLS gathered for another potluck. Sharyn Pann provided table service and goodies for all. Birthdays for the month were Karen Moe and Ruth Mortimer. Anniversary for Petersons while John is still recovering.

Future programs were discussed including 16:49 and possibly Bingo. Sharyn attended a meeting where a lady presented a program by portraying a famous person. It was discussed about having her do a presentation for Owls. It was discussed that we should invite the entire St. Paul congregation as well as Our Saviors and Luther Valley. The full cost normally is $350 but we may get a discount. A list of 38 possible people to portray was handed out for suggestions.

Also discussed was the November and December meetings being the second Thursday. rather than the 4th Thursday. Also discussed was Knute's decision that they cannot provide for groups as small as Owls. Mary's catering was also discussed but later found also too small of a group.

Following the meeting the group watched the DVD of Branson's Funniest Comedian. The next meeting will be on October 23.
